

Hello everyone,

I know many elementary students have been asking when the Walk for Life, or morning lap program will begin. We are not starting until after Labor Day, so Tuesday September 4th will be the first day for laps in the mornings.

This program is open to all students grades k-8. Students can walk out to the track and walk laps from 8:00-8:20 every day weather permitting. We have a barcode system we use to help keep track of the number of laps students complete and we award prizes for specific distances. It's a great way for students to get up and get moving in the mornings before school. Teachers /staff are welcome to come out and join us as well!

Again not starting until Tuesday September 4th.

Thanks,
Susan
